

## Henley (RG9 2LP):

What happens there:

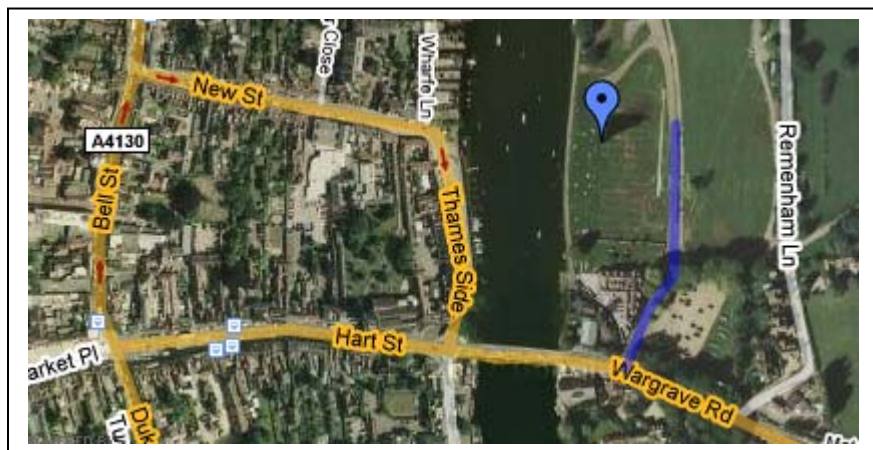

- 1) **Henley Lond Distance Sculls (November'ish)**
- 2) **Henley 4s Head (February'ish).**
- 3) **The Scullers Head of the River (March).**
- 4) **Women's Henley (June).**

**The Post code above will direct you the Leander club which is the first left after the bridge (do not use for Henley Royal or Women's Henley.**

**FROM OXFORD:** Take the A4130 into Henley town centre, and follow the one-way system which turns left down New Street to the riverside. Follow the road around the right hand corner to the traffic lights at Henley Bridge, turn left over the bridge, and turn left again immediately after crossing the river.

**FROM THE M4:** Leave at Junction 8/9 and follow signs along the A404(M) motorway spur for approximately 2 miles before taking the left hand slip road signposted to Henley along the A4130. Follow these signs for a further 6 miles and eventually you will come down the long White Hill at Remenham. As the road levels out you will pass the Little Angel pub on your right - after a further 100 yards take the unmarked turning to your right, immediately before Henley Bridge.

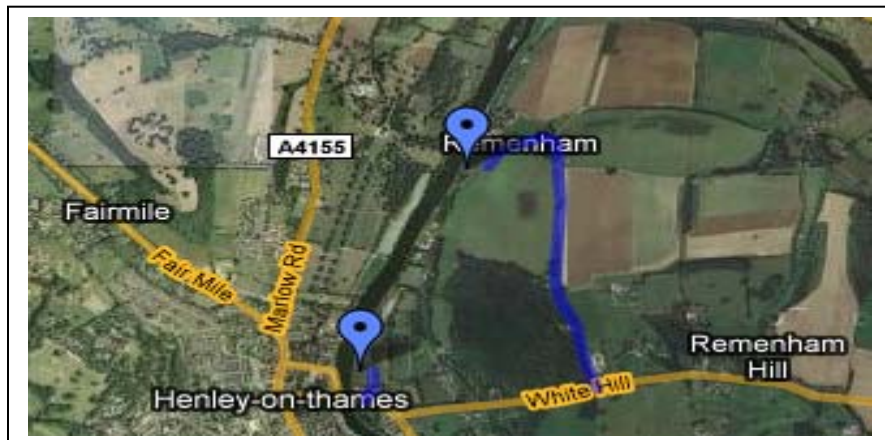

**FROM READING:** Take the A4155 into Henley town centre and at the second set of traffic lights turn right down Hart Street and follow the signs for Maidenhead. Immediately after crossing the Bridge, turn left and follow Remenham lane.

## Henley Women's Regatta and Henley Royal:

Please keep in mind that over in late June and early July, getting to Henley may take another 40min depending on traffic.

**Woman's Henley** is only raced over the half course. Follow the directions above, except once you go over the bridge and continue up the hill as if you are heading out of town (With Henley town behind you), take the second left (Remenham Lane). Follow the Lane for  $\frac{3}{4}$  of a mile. You will see parking on the left hand side. You have to pay for parking.

**Henley (Directions from AA website):**  
**This will not get you to the Henley Women's Regatta Parking.**
